TUG OF WAR

PARTNERSHIP

The MITIA is grateful to all the Members, Sponsors and University Students who actively participated in the second edition of the 'MITIA Sports & Fun Day' which took place on Saturday the 28th September 2019 @ SPARC Sport Centre, Cascavelle.

The main objective of this event was to strengthen the bond among the members and also to show ICT students that the MITIA and its members care for them.

The event was a great success judging by the number of participants and the feedback they provided afterwards.
